

NuTone Haven

Turn your customers' yards back into a Haven. Introducing the first of its kind NuTone Haven™ Backyard Lighting & Mosquito Repellent System. Haven features innovative landscape fixtures that provide effective protection all in one complete system. Installed on its own or as an add-on to existing low-voltage lighting, Haven emits an odorless vapor that repels over 90% of mosquitoes and lasts all season long*. See what it can do for your customers at nutone.com/haven.

*90 days at 24 hours per day

“We’re in our 35th year. Because we have a lot of experience with Broan-NuTone, we believe in the quality of their products. The Haven system is so convenient and easy to use; it makes it effortless to enjoy my backyard. I haven’t seen any other product on the market that comes close to comparing to Haven.”

TZone™ SE: Formulated for Speed!

Delivering twice the triclopyr per acre as most combination products, TZone™ SE Broadleaf Herbicide for Tough Weeds is the fastest triclopyr combination product on the market. TZone SE controls more than 60 of the toughest broadleaf weeds, including wild violet, ground ivy, black medic, oxalis, clover and spurge. TZone SE even provides suppression of yellow nutsedge. The reduced-solvent ester formulation of TZone SE offers excellent cool-weather performance and offers visible activity in hours, including rapid leaf and stem curl, twisting, yellowing and browning.
